

# Kiosk

## The Wayfinder Platform

Designed for use in the public domain, this rugged touch screen kiosk can withstand the harshest environments. The Wayfinder Platform's contemporary design and 42" large display makes it perfect for showrooms, shopping centres, information centres, lobbies and site offices.

### Robust Full HD Multi-Touch Display

Full HD 42" touch screen utilises projective-capacitive touch technology up to 10 simultaneous touch points. The touch monitor is commercial quality which allows for extended 24/7 use and extreme reliability, featuring a vandal resistant display.

The Wayfinder Platform's edged design redefines the modern kiosk with its timeless good looks. The steel, powder coated body provides a sturdy support whilst the advanced p-cap technology allows i-pad like use and a flush finish.

### Designed to be used in:

- Retail
- Exhibitions
- Corporate areas
- Reception areas

## Quick Overview

### Optional PC

- Intel Z3735F (64-bit) 1.8 GHz
- 2GB DDR3L RAM, 32GB HDD.
- Preloaded Windows 10
- In-built WiFi card with external antenna
- One external USB ports

## Specifications

Screen Size	42 Inch	Processor	Intel Z3735 1.8 GHz
Aspect Ratio	16:9	RAM	2 GB
Resolution	1920 x 1080	Drive	32 GB eMMC
Brightness	400 cd/m2	Graphics	Intel HD
